

E-Store Plus Integrated with Tally

Solver Solutions Introduce Integration with tally accounting software. No need to waste your valuable time entering separate vouchers in tally for CA.

EXPORT DATA TO TALLY

Step 1.  **Export Masters**

All Accounts of Speed Plus would be exported to "Master.xml" file at your software's location.

You may Import Masters in Tally using this File

It may take a few seconds to complete. Thanks for your patience.

Step 2.  **Export Day Book**

All Vouchers of Sale, Purchase, Journal, Payments, Receipts, Production, Stock Journal which are entered into Speed Plus would be exported to "DayBook.xml" file at your software's location.

You may Import Vouchers in Tally using this File

It may take a few seconds to complete. Thanks for your patience.

IMPORT DATA FROM TALLY TO E-STORE PLUS

Import Master (Accounts and Item Heads) From Tally With all voucher entries into E-Store Plus

TALLY DATA IMPORT UTILITY

Step 1. *Import Masters from Master.xml File*

Select Master.xml

Master.xml file is generated when you export masters from Tally

Step 2. *Import All Vouchers From DayBook.xml File*

Select DayBook.xml

Daybook.xml is generated when you export vouchers from Tally
If you do not wish to import vouchers, leave this field blank

Step 3. *Choose Version*

Version 8.1, 9.0 or above
 Version 7.2 or below

Step 4. *Finally Import Data*

To Import Accounts and items

- *Export Masters From Tally and tally will generate **Master.xml***
- *In the First Step Select **Master.xml** file*

To Import Voucher entries

- *Export Vouchers From Tally and you will get **DayBook.xml** File*
- *In the Second Step Select **DayBook.xml** File*

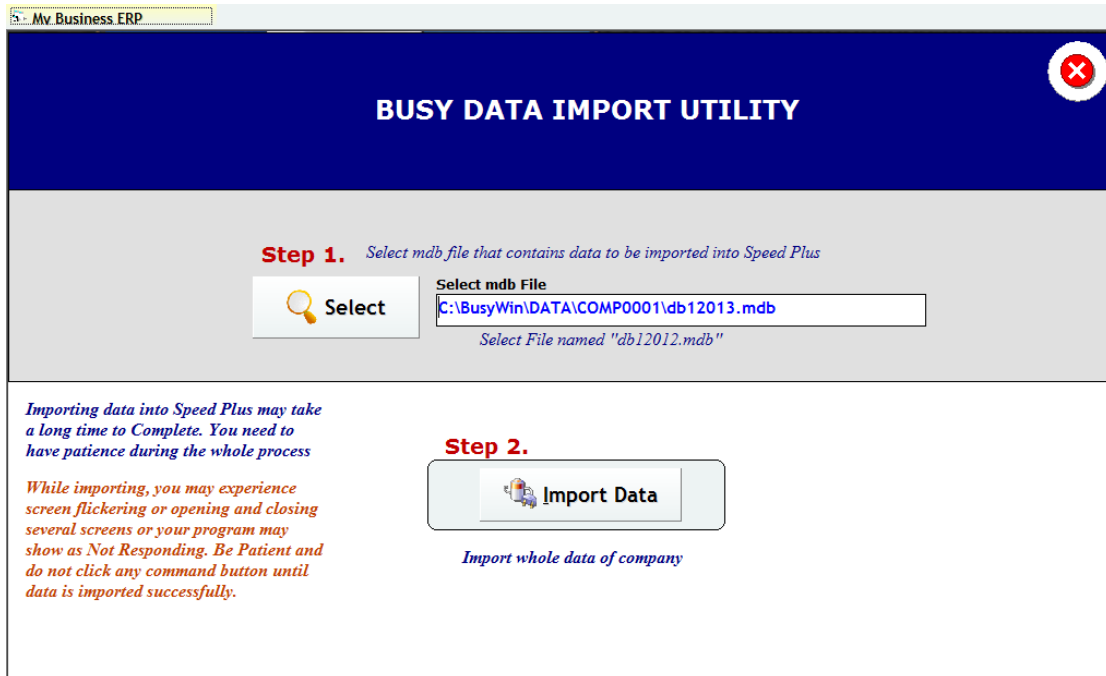

If you wish to import Masters only without Voucher entries then leave then skip the second step

*Finally click on **import data**. It will take a lot of time to complete. You need to be patient during this process.*

E-Store Plus will automatically import the whole data of tally.
